Kim Coco Iwamoto Endorsement

United Food & Commercial Workers Union Local 480 President Pat Loo announced. It is my privilege to announce our endorsement of Kim Coco Iwamoto for House District 26. Hawaii is fortunate to have a unique opportunity, here, to capitalize on the abundance of experience, plethora of knowledge, and insistent perseverance, willing to serve the people of our beautiful State.

Kim Coco has, clearly, demonstrated and proven her dedication and love for the people of Hawai'i by holding positions on the Board of Education and Civil Right Commission. Immersing herself in countless years of public serve is a true testimony of her unwavering passion for making livelihoods better for the people of the working class.

Time and time again, Kim Coco has shown herself to be steadfast to her ideals even in the face of adversity. She has been unafraid of controversy, tackling unpopular issues with clear objectives and dedicated follow-through in her headstrong plight to pursuing a better and brighter tomorrow for our Ohana.

Kim Coco Iwamoto has been a friend to the working class and we proudly support her in becoming our next Representative for House District 26.

In Solidarity
